

- Investment involves risks and past performance is not indicative of future performance.
- Each Fund may have different underlying investments and be exposed to a number of different risks. Refer to the offering documents of the respective funds for details, including risk factors. It is possible that the entire value of your investment could be lost.
- You should not base your investment decision solely on this document. You should not invest unless the intermediary who sells it to you has advised you that the Fund is suitable for you.

# First State Investments

## Focused on quality.

At First State Investments, ensuring the long-term interests of our clients is at the centre of all that we do.

The following awards are a testament to the strength and rigour of our investment approach, our experienced and dedicated investment teams and our commitment to being a responsible investor.

We are grateful for the trust our clients place in us and look forward to building on this success as we continue to develop our leading world-class investment capabilities.
