

FSSA Asian Growth Fund

- The Fund invests primarily in equity or equity-related securities of companies that are listed, or have their registered offices in, or conduct a majority of their economic activity in Asia excluding Australia, Japan and New Zealand.
- The Fund invests in emerging markets which may have increased risks than developed markets including liquidity risk, currency risk/control, political and economic uncertainties, high degree of volatility, settlement risk and custody risk.
- The Fund may expose to China market risk including repatriation risk, uncertainties to PRC taxation policies and risks associated with StockConnects, RQFII, SME board, the ChiNext market and/or the STAR board. The Fund may also expose to RMB currency and conversion risk.
- The Fund's investments may be concentrated in a single sector, country, specific region or small numbers of countries/companies which may have higher volatility or greater loss of capital than more diversified portfolios.
- Investing in securities of small/mid-capitalisation companies may have lower liquidity and more volatile prices during adverse economic developments.
- The Fund may use FDIs for hedging and efficient portfolio management purposes, which may subject the Fund to additional liquidity, valuation, counterparty and over the counter transaction risks.
- It is possible that a part or entire value of your investment could be lost. You should not base your investment decision solely on this document. Please read the offering document including risk factors for details.

Why invest in the FSSA Asian Growth Fund?

1. An opportunity to tap into the wealth of the Asia Pacific region

- There are 4.5 billion people living in Asia - approximately 60% of the world's total
- Asia is the main contributor to global growth since major advanced economies still recovering from the global financial crisis
- We believe rising incomes and increased levels of urbanisation have helped to boost consumption and create domestic champions, while increased R&D spending and a focus on innovation have created globally competitive leaders

Asia Pacific - the world's growth engine

2. Technology upgrade and 5G uplift

- Mediatek is a quality Taiwanese fabless semiconductor company
- Had a challenging few years but has since stabilised due to investments in "growth" areas such as IoT (Amazon Echo, WiFi devices), ASIC (customised chips) and power switches (power chips found in all electronic/ IoT devices)
- Backing the management - Rick Tsai (ex-TSMC) is now the sole CEO; former CEO MK Tsai remains as chairman
- A strong balance sheet and rising dividend provide additional margins of safety

3. Leading pan-Asian retailing group taking market share

- Dairy Farm is a high quality business and part of the Jardine Group, with family ownership/long-term stewardship (130-yr history) with around 10 thousand stores across 11 countries along with professional management
- HK/Macau growth remains strong, particularly health & beauty, 7-Eleven, IKEA and Maxim's. Indonesia, as well as newer markets such as Vietnam, Cambodia and the Philippines have the potential to become future growth drivers
- Supermarkets face threats from greater competition and e-commerce; but multi-year transformation in progress. New CEO, Ian McLeod, was appointed in 2017 and has overseen a significant shift in personnel and culture

About FSSA Investment Managers

FSSA Investment Managers is an autonomous investment management team within First Sentier Investors, with dedicated investment professionals based in Hong Kong, Singapore, Tokyo and Edinburgh. We are specialists in Asia Pacific and Global Emerging Markets equity strategies, managing assets on behalf of clients globally.

We are bottom-up investors, using fundamental research and analysis to construct high-conviction portfolios. We conduct more than a thousand direct company meetings a year, seeking to identify high quality companies to invest in. We look for founders and management teams that act with integrity and risk awareness; and dominant franchises that have the ability to deliver sustainable and predictable returns over the long term. As responsible, long-term shareholders, we have integrated ESG analysis into our investment process and engage extensively on environmental, labour and governance issues.
