KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in an investment company with variable capital constituted in Ireland that aims to achieve long term capital appreciation.
- If you invest in a distributing share class, you may receive distributions on or around:
 - the end of each month (share class with monthly distribution)*;
 - end August and February (share class with semi-annual distribution); or
 - end February, May, August and November (share class with quarterly distribution).³
- ***In the case of monthly distributing share classes, in maintaining a regular dividend payment, at times dividend may be paid out of capital of the Fund. Payment of dividends out of capital amounts to a return or withdrawal of part of an investor’s original investment and/or from any capital gains attributable to that original investment. Any such distribution may result in an immediate reduction of the net asset**

Refer to Appendix 9 of the Singapore Prospectus for further information on features of the product.

¹ The Singapore Prospectus is available for collection from First Sentier Investors (Singapore), 79 Robinson Road, #17-01, Singapore 068897 or approved distributors during normal business hours on any Singapore business day or accessible at www.firstsentierinvestors.com.

² If you are submitting your subscription application or redemption request through an approved distributor in Singapore, you may only do so during the opening hours for that approved distributor on a Singapore Business Day.

³ You may wish to check with the approved distributors of the Company on the availability of the distributing share classes of the Fund.

Investment Strategy	
<ul style="list-style-type: none"> • The Fund invests primarily (at least 70% of its net asset value) in a diversified portfolio of listed Infrastructure and Infrastructure-related equity securities or equity-related securities of issuers listed, traded or dealt in on Regulated Markets worldwide. • The Infrastructure sector includes, but is not limited to, utilities (e.g. water and electricity), highways and railways, airports services, marine ports and services, and oil and gas storage and transportation. • The Fund may only use financial derivative instruments for purposes of hedging and efficient portfolio management. 	Refer to Appendix 9 of the Singapore Prospectus for further information on the investment strategy of the product.
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Fund is a sub-fund of the Irish constituted umbrella First Sentier Investors Global Umbrella Fund plc (the “Company”). • The Company is managed by First Sentier Investors (Ireland) Limited. • The Manager may appoint one or more approved investment managers and sub-investment managers to manage all or a portion of the assets of the Fund. • The Depositary of the Fund is HSBC Continental Europe. 	Refer to the “Management and administration”, “Depositary” and “Other Material Information” sections (Paras 2, 3 and 21) of the Singapore Prospectus for further information on the role and responsibilities of these entities and what happens if they become insolvent.
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the Fund and its dividends or coupons (if any) may rise or fall. These risk factors may cause you to lose some or all of your investment and your principal may be at risk:</p>	Refer to the “Risks” section (Para 9) of the Singapore Prospectus for further information on risks of the product.
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to market risk – The Fund’s investment is subject to general market risks, and their values may fluctuate due to various factors, such as changes in investor sentiment, political and economic conditions and issuer-specific factors. • You are exposed to currency risk – Investments of the Fund may be denominated in various currencies. The net asset value of the Fund may be affected unfavourably by fluctuations in the exchange rates and by changes in exchange rate controls. The Fund is not denominated in Singapore dollars and you may be exposed to an additional exchange rate risk if your reference currency is Singapore dollars. 	
Liquidity Risks	
<ul style="list-style-type: none"> • The Fund is not listed in Singapore and you can redeem your shares only on Dealing Days as described in the Singapore Prospectus. • You may not be able to redeem on a Dealing Day if a redemption limit is imposed or if redemption is suspended – There may be a 10 per cent limit on the number of shares that can be redeemed on any Dealing Day and the directors of the Company may temporarily suspend redemption during certain circumstances. • You are exposed to the liquidity risk of the Fund’s investments – The Fund may not be able to sell assets in a timely manner and/or at a 	

reasonable price. If this is the case, you may not be able to get your money back when you want it.										
Product-Specific Risks										
<ul style="list-style-type: none"> • You are exposed to investment risk – Investment in shares of the Fund involves risk and <i>you may not get back the full amount you invested</i>. Past performance is no guarantee of future performance. • You are exposed to industry or sector risk – The value of the Fund may be more volatile than a fund having a more diversified portfolio of investments covering different economic sectors. • You are exposed to listed infrastructure risk – Investments in infrastructure projects may involve additional risk. These risks may include projects not being completed on time and within budget. Changes in environment laws and regulations may also affect the infrastructure projects. All these factors may have an impact on the financial performance. • You are exposed to single sector risk – The value of the Fund may be more volatile than a fund having a more diversified portfolio of investments. • You are exposed to small-capitalisation/mid-capitalisation companies risk – Securities in small-capitalisation/mid-capitalisation companies may have lower liquidity and their prices are more volatile to adverse economic developments than those of larger capitalisation companies in general. • You are exposed to charges against capital risk – Fees and expenses are charged against the capital of the Fund. Deducting expenses from capital reduces the potential for capital growth and on any redemption you may not receive back the full amount invested. • You are also exposed to risks associated with the Fund’s investment into other collective investment schemes.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The net asset values per share of the share classes of the Fund are normally published 1 Business Day after the relevant Dealing Day on www.firstsentierinvestors.com.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- The Company does not offer a cancellation period for you to cancel your subscription into the Fund.
- You can exit the Fund at any time by submitting a duly signed written instruction or a completed redemption form to an approved distributor.
- Partial redemptions are subject to minimum holding amounts.
- The Company will normally pay the sale proceeds within 3 Business Days of receipt of your redemption request and other relevant documentation. Please contact your distributor on when you will receive your sale proceeds.
- Your exit price is determined as follows (please note that your distributor may impose a different cut-off time):
 - If your redemption request is received before 5 p.m. (Singapore time) on a Dealing Day, you will be paid a price based on the net asset value for that Dealing Day².
 - If your redemption request is received after 5 p.m. (Singapore time) on a Dealing Day or on a day which is not a Dealing Day, you will be paid a price based on the net asset value for the next Dealing Day².
- Your sale proceeds will be the exit price multiplied by the number of shares sold, less any charges (there is currently no realisation charge imposed and assuming there is no anti-dilution adjustment).

Exit price	X	Number of shares to be redeemed	=	Gross redemption proceeds
\$10.00	X	1,000	=	\$10,000.00
Gross redemption proceeds	-	Redemption charge	=	Net redemption proceeds
\$10,000.00	-	\$0.00	=	\$10,000.00

Refer to the “Redemption of Shares” and “Obtaining Prices of Shares” sections (Paras 12 and 14) of the Singapore Prospectus for further information on valuation and exiting from the product.
