Explanatory Notes

The following explanatory notes are based on Tax Regulations as implemented in the UK. If you have any questions about your organisation's classification, please contact your tax adviser.

Definitions common to FATCA and CRS

1. Tax Regulations

The term “tax regulations” refers to regulations created to enable automatic exchange of information and include Foreign Account Tax Compliance Act (FATCA), and the OECD Common Reporting Standard (CRS) for Automatic Exchange of Financial Account Information².

2. FATCA and CRS

FATCA

FATCA regulations in sections 1471 to 1474 of the US Internal Revenue Code and the Treasury regulations and official guidance issued thereunder, as amended from time to time. FATCA regulations have been adopted in the UK by The International Tax Compliance Regulations 2015.

CRS

The OECD Common Reporting Standard (CRS) which has been adopted in the UK by The International Tax Compliance Regulations 2015.

3. Non-Profit Organisation

An entity that meets ALL of the following criteria:

- (i) it is established and operated in its jurisdiction of residence exclusively for religious, charitable, scientific, artistic, cultural, athletic, or educational purposes; or it is established and operated in its jurisdiction of residence and it is a professional organisation, business league, chamber of commerce, labour organisation, agricultural or horticultural organisation, civic league or an organisation operated exclusively for the promotion of social welfare;
- (ii) it is exempt from income tax in its country of residence;
- (iii) it has no shareholders or members who have a proprietary or beneficial interest in its income or assets;
- (iv) the applicable laws of the entity’s country of residence or the entity’s formation documents do not permit any income or assets of the entity to be distributed to, or applied for the benefit of, a private person or non-charitable entity other than pursuant to the conduct of the entity’s charitable activities, or as payment of reasonable compensation for services rendered, or as payment representing the fair market value of property which the entity has purchased; and
- (v) the applicable laws of the entity’s country of residence or the entity’s formation documents require that, upon the entity’s liquidation or dissolution, all of its assets be distributed to a governmental entity or other non-profit organisation, or escheat to the government of the entity’s country of residence or any political subdivision thereof.

4. Controlling Persons

The term “Controlling Persons” means the natural persons who exercise control over an Entity. In the case of a trust, such term means the settlor, the trustees, the protector (if any), the beneficiaries or class of beneficiaries, and any other natural person exercising ultimate effective control over the trust, and in the case of a legal arrangement other than a trust, such term means persons in equivalent or similar positions. The term “Controlling Persons” must be interpreted in a manner consistent with the Financial Action Task Force Recommendations.

“Control” over an Entity is generally exercised by the natural person(s) who ultimately has a controlling ownership interest in the Entity. A “control ownership interest” depends on the ownership structure of the legal person and is usually identified on the basis of a threshold applying a risk-based approach (e.g. any person(s) owning more than a certain percentage of the legal person, such as 25%). Where no natural person(s) exercises control through ownership interests, the Controlling Person(s) of the Entity will be the natural person(s) who exercises control of the Entity through other means. Where no natural person(s) is identified as exercising control of the Entity, the Controlling Person(s) of the Entity will be the natural person(s) who holds the position of senior managing official.

- (e) the NFE is not yet operating a business and has no prior operating history, but is investing capital into assets with the intent to operate a business other than that of a Financial Institution, provided that the NFE does not qualify for this exception after the date that is 24 months after the date of the initial organisation of the NFE;
- (f) the NFE was not a Financial Institution in the past five years, and is in the process of liquidating its assets or is reorganising with the intent to continue or recommence operations in a business other than that of a Financial Institution;
- (g) the NFE primarily engages in financing and hedging transactions with, or for, Related Entities that are not Financial Institutions, and does not provide financing or hedging services to any Entity that is not a Related Entity, provided that the group of any such Related Entities is primarily engaged in a business other than that of a Financial Institution; or
- (h) the Entity is a non-profit organisation³.

21. Passive Non-Financial Entity (PNFE)

A Passive NFE is any Non-Financial Entity²² that is not an Active NFE, or an Investment Entity²³ that is not a Participating Jurisdiction²⁴ Financial Institution.

22. Non-Financial Entity (NFE)

The term "NFE" means any Entity that is not a Financial Institution¹⁷.

23. Investment Entity

The term "Investment Entity" means any Entity:

- (a) which primarily conducts as a business one or more of the following activities or operations for or on behalf of a customer:
 - (i) trading in money market instruments (cheques, bills, certificates of deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;
 - (ii) individual and collective portfolio management; or
 - (iii) otherwise investing, administering, or managing Financial Assets or money on behalf of other persons; or
- (b) the gross income of which is primarily attributable to investing, reinvesting, or trading in Financial Assets, if the Entity is managed by another Entity that is a Depository Institution, a Custodial Institution, a Specified Insurance Company, or an Investment Entity described in subparagraph A(6)(a) of the EU Directive on Administrative Co-operation 2014/107/EU.
An Entity is treated as primarily conducting as a business one or more of the activities described in subparagraph A(6)(a), or an Entity's gross income is primarily attributable to investing, reinvesting, or trading in Financial Assets for the purposes of subparagraph A(6)(b), if the Entity's gross income attributable to the relevant activities equals or exceeds 50% of the Entity's gross income during the shorter of:
 - (i) the three-year period ending on 31 December of the year preceding the year in which the determination is made; or
 - (ii) the period during which the Entity has been in existence.

The term "Investment Entity" does not include an Entity that is an Active NFE because that Entity meets any of the criteria in subparagraphs D(8) (d) through (g) of the EU Directive on Administrative Co-operation 2014/107/EU.

This paragraph shall be interpreted in a manner consistent with similar language set forth in the definition of "financial institution" in the Financial Action Task Force Recommendations.

24. Participating Jurisdiction
