Dear Shareholder,

Client Code: «Client Code»

FIRST SENTIER EMERGING MARKETS BOND FUND (THE “FUND”) A SUB-FUND OF FIRST SENTIER INVESTORS ICVC (THE “UK OEIC”)

First Sentier Investors is committed to offering high quality investment products to meet the needs and expectations of our investors. Our business has an ongoing focus to ensure that our funds remain relevant and competitive.

We wrote to you on 21 June 2021 to inform you about our intention to terminate the Fund and can confirm that we are now taking steps to terminate the Fund with effect from 16 September 2021. This letter sets out the options that are available to you in relation to this termination.

If you have recently redeemed your holding in the Fund, please ignore this mailing.

INTRODUCTION

The Fund was launched in October 2011 in the UK OEIC following demand for this strategy in the market at the time. Despite fundraising efforts, the Fund has not been able to achieve long-term competitive advantage and sufficient scale. The Fund reached its assets under management peak of £119m in July 2016 and, as at 30 July 2021, had fallen to £27.2m.

In light of this we believe it is in the best interests of investors to terminate the Fund. A merger with an alternative fund was also considered, but was not feasible. The Fund will continue to be actively managed in line with the Fund's objective until the termination on 16 September 2021.

The costs of terminating the Fund will be borne by First Sentier Investors.

OPTIONS AVAILABLE TO YOU

In order to provide Shareholders with as much flexibility as possible, you may, prior to the commencement of the termination of the Fund, elect to switch your present holding in the Fund and invest in another fund within the UK OEIC's range, as set out below.

Alternatively, you can elect to redeem your shares for cash before the termination takes place.

If you do nothing, your investment will follow the default option which is the cash redemption of your investment.

Further details of each of these options and their consequences are set out below.

Option 1: You may elect to switch your investment in the First Sentier Emerging Markets Bond Fund to another fund offered by the First Sentier Investors ICVC.

The prospectus for the Fund outlines your ability to switch to other funds in the UK OEIC. If you decide to switch, your instructions must arrive by no later than midday on 16 September 2021.

The prospectus and the key investor information document for each fund can be found at www.firstsentierinvestors.com. You should read the key investor information document (KIID) for the fund you wish to switch into before completing the Form of Direction. If you elect to switch, you will receive shares of the same class as you currently hold. Any regular subscription instructions will be continued into the new shares unless you instruct us otherwise.

You may also telephone us on our dealing lines, UK: 0800 587 3388, International: +44 203 528 4102, at any time prior to midday on 16 September 2021 to instruct us that this is what you want to do.

If you choose this option, the switch will take place at the valuation point after we receive your notification. Details of your new holding will be sent to you in the form of a contract note shortly afterwards.

Please also see "Tax Consequences" below.

Option 2: You may elect to redeem your shares prior to termination

If you wish to redeem (sell) your shares before the Fund is terminated on 16 September 2021, please complete Option 2 on the Form of Direction. Your shares will then be redeemed at the price calculated at the next valuation point after we receive your instruction and you will receive the cash proceeds within 4 working days of us receiving your signed settlement instruction. Please complete Option 2 and return the Form of Direction in the enclosed pre-paid envelope to arrive by midday on 16 September 2021.

You may also write to us or telephone us on our dealing lines, UK: 0800 587 3388, International: +44 203 528 4102, at any other time prior to midday on 16 September 2021 to instruct us that this is what you want to do. However, telephone requests will need to be confirmed by signing and returning a Form of Renunciation, which will be sent to you following your instruction. The redemption will be made at the price calculated as at the valuation point following receipt of your initial instructions. Proceeds of the redemption will be despatched within 4 working days of receipt of your written instructions. If we do not already have your bank details on file, or if we are awaiting verification of your identity, settlement may be delayed.

Please also see "Tax Consequences" below.

Option 3: You do nothing

Share dealing in the Fund will cease at the valuation point 16 September 2021.

If you choose to do nothing, your shares in the Fund will be redeemed at the price calculated at the valuation point on 16 September 2021 and you will receive the cash proceeds within 4 working days. If we do not already have your bank details on file or if we are awaiting verification of your identity, settlement may be delayed.

Please also see "Tax Consequences" below.

Tax Consequences

You should be aware that any switch into another fund, redemption of shares or the receipt of proceeds from the termination will involve a disposal of your shares in the Fund for capital gains tax purposes, and may give rise to a capital gains tax liability. If you are in any doubt as to the taxation consequences of your action you should contact your accountant or financial adviser before you act.

Fairness to Shareholders

Until the termination of the Fund is completed we will be taking steps to ensure that no Shareholders are disadvantaged by action taken by other Shareholders. Withdrawals from the Fund will continue to be subject to a dilution adjustment, as per the terms of the Prospectus.

Hedged share classes - Foreign Exchange (FX) Hedging

If you own shares in a Currency Hedged Share Class (as described in section 6.1.4 of the Prospectus) and decide to hold these until the final valuation point, please note that we will terminate the FX hedging transactions for the hedged classes one working day before the final valuation point. This means that, for that period, these shares will not be subject to, nor potentially benefit from, the FX hedging arrangements described in section 6.1.4 of the Prospectus.

Action to be taken

Please ensure you complete, sign and return your Form of Direction to arrive with us before midday on 16 September 2021. If no instruction is received, your investment will be redeemed at the price calculated at the valuation point on 16 September 2021.

If you have any questions regarding the termination proposal please contact us:
