

Stewart Investors Asia Pacific Sustainability Fund Class A GBP

a subfund of First Sentier Investors ICVC (the Company) – Fund Factsheet

31 December 2020

Investment objective and policy

The Fund aims to achieve capital growth over the long term (at least five years).

The Fund invests in shares of companies based in or where the majority of their activities take place in the Asia Pacific region excluding Japan. The Fund invests in shares of high quality companies which are positioned to benefit from, and contribute to, the sustainable development of the countries in which they operate.

Investment decisions around high quality companies are based on three key points: (i) Quality of management. (ii) Quality of the company including its social usefulness, their environmental impacts and efficiency and responsible business practices. (iii) Quality of the company's finances and their financial performance. Sustainability is a key part of the approach.

The Fund may invest up to 10% in other funds.

The Fund may use derivatives to reduce risk or to manage the Fund more efficiently.

* The benchmark for this Fund has been identified as a means by which investors can compare the performance of the Fund and has been chosen because its constituents most closely represent the scope of the investable assets. The benchmark is not used to limit or constrain how the portfolio is constructed nor is it part of a target set for Fund performance. Given the diverse nature of the constituent funds within the Specialist IA sector the manager does not compare performance of this Fund with its IA sector.
