FSSA Asian Growth Fund

Objectives and investment strategy

The Fund aims to achieve long term capital appreciation and invests all or substantially all of its assets in the FSSA Asian Growth Fund (the "Underlying Sub-Fund"), under the Dublin registered First Sentier Investors Global Umbrella Fund plc.

The Underlying Sub-Fund invests primarily (at least 70% of its net asset value) in equity securities or equity-related securities of companies that are listed, or have their registered offices in, or conduct a majority of their economic activity in Asia (excluding Australia, Japan and New Zealand).

The Fund may hold multiple equity securities in the same company, which have been combined to provide the Fund's total position in that company. Index weights, if any, typically include only the main domestic-listed security. The above Fund weightings may or may not include reference to multiple securities.

⁺ Allocation percentage is rounded to the nearest one decimal place and the total allocation percentage may not add up to 100%.

Note: Asset allocation and top holdings/issuers information provided pertain to the underlying fund. This document is prepared for information only and does not contain or constitute investment advice. A copy of the Prospectus is available and may be obtained from the Manager, First Sentier Investors (Singapore), or any of our distributors. Investors should read the Prospectus and consult a financial adviser before deciding to make any investment. In the event of discrepancies between the marketing materials and the Prospectus, the Prospectus shall prevail. The value of the Fund and the income from them, if any, may fall or rise. Past performance of the Fund or the Manager and any economic and market trends or forecast, is not indicative of the future or likely performance of the Fund or the Manager. Neither the Manager, nor any of its associates, nor any director, or employee accepts any liability for any loss arising directly or indirectly from any use of this document. Units are not available to U.S. persons. Reference to specific securities (if any) is included for the purpose of illustration only and should not be construed as a recommendation to buy or sell the same. Investors should refer to the Prospectus for full details of the Objectives and investment strategy for the Fund.

The CPF interest rate for the Ordinary Account (OA) is based on the 12-month fixed deposit and month-end savings rates of the major local banks. Under the CPF Act, the Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The government will maintain the 4% per annum minimum rate for interest earned on all Special and Medisave Accounts (SMA) and Retirement Account (RA) monies until 31 December 2022, subject to updates from the CPF board. The CPF Board will pay an extra interest rate of 1% per annum on the first S\$60,000 of a CPF member's combined balances, including up to S\$20,000 in the OA. In addition, CPF members aged 55 and above will also earn an additional 1% extra interest on the first \$30,000 of their combined balances (with up to \$20,000 from the OA). Only monies in excess of S\$20,000 in the OA and S\$40,000 in the Special Account can be invested.
